

Module Description: Critical Care Nursing Practice (21R01410802)

Module designation	Course Module
Semester(s) in which the module is taught	IX
Person responsible for the module	Syahrul Ningrat, S.Kep., Ns., M.Kep., Sp.Kep.MB (coordinator) Moh. Syafar Sangkala, S.Kep., Ns., MANP Dr. Rosyidah Arafat, M.Kep., Sp.KMB Andina Setyawati, S.Kep., Ns., M.Kep Andi Baso Tombong, S.Kep., Ns., MANP Syahrani Said, S.Kep., Ns., Sp.KV., M.Kep Musmulyono, S.Kep., Ns., MHPA Yunita Nurmalasari, S.Kep., Ns., M.Kep
Language	Bilingual, Bahasa Indonesia and English
Relation to Curriculum	This course is a compulsory course and offered in the 9 th semester.
Teaching Methods	Teaching methods used in this course are: <ul style="list-style-type: none"> - Case Based Discussion - One-Minute Preceptorship (OMP) - Reflective Study - Journal Critical Appraisal - Pre-post Conference - Bed side teaching <p>Clinical field work is proximal 90 students.</p> <p>Contact hours practices are 106,67 hours</p>
Workload (incl. contact hours, self-study hours)	For this course, students are required to meet a minimum of 106,67 hours in one semester, which consist of: 106,67 hours for clinical skill laboratories and clinical fieldwork.
Credit points	2 credit points (equivalent with 3,56 ECTS)
Required and recommended prerequisites for joining the module	Students must have taken following courses: <ol style="list-style-type: none"> 1. Fundamental of Nursing 2. Medical-Surgical Nursing Practice I 3. Medical-Surgical Nursing Practice II 4. Pediatric Nursing Practice 5. Maternity Nursing Practice
Module objectives/intended learning outcomes	After completing the course and given with Advanced Medical Surgical I case, students will be: Attitude: CLO1: Able to provide critical nursing care with cultural sensitivity that respects the values, norms, religion, or other factors of each client and applies ethical and legal aspects in critical nursing practice. (A) Competence: CLO2: Apply comprehensive and sustainable critical nursing care based on research that ensures patient safety in accordance with the standards of care in critical nursing areas. (C1)

Form of Assessments	<ul style="list-style-type: none"> - Introduction Report (5%) - Nursing Care Plan (25%) - Case Summary (5%) - Clinical Performance (attitude & discipline) (10%) - Case Reflection (5%) - Individual Case Discussion (20%) - Group Case Seminar (10%) - Clinical Target Achievement (10%) - Comprehensive Examination (TO UKNI) (10%)
Date of last amendment made	July 2023

Course Learning Outcome Assessment of Learning Outcomes for Course Modules

Course Module Name : Critical Care Nursing Practice
Code : 21R01410802
Semester : IX
Person responsible for the module : Syahrul Ningrat S.Kep., Ns., M.Kep., Sp.Kep.MB
Lecturers :
 1. Moh. Syafar Sangkala, S.Kep., Ns., MANP
 2. Dr. Rosyidah Arafat, M.Kep., Sp.KMB
 3. Andina Setyawati, S.Kep., Ns., M.Kep
 4. Andi Baso Tombong, S.Kep., Ns., MANP
 5. Syahrani Said, S.Kep., Ns., Sp.KV., M.Kep
 6. Musmulyono, S.Kep., Ns., MHPA
 7. Yunita Nurmalasari, S.Kep., Ns., M.Kep

Intended Learning Outcomes	Course Module Objectives	List of Assessments	List of Rubrics
<p>Attitude (A)</p> <p>Nursing graduates are individuals who are pious and maritime spirited, exhibit professional behaviors, ethical principles, legal perspective, and embrace culturally sensitive aspects in nursing</p>	<p>Attitude:</p> <p>CLO1: Students will able to provide critical nursing care with cultural sensitivity that respects the values, norms, religion, or other factors of each client and applies ethical and legal aspects in critical nursing practice. (A)</p>	<p>Multi-Source Feedback (MSF)/360 degree assessment: provide a more comprehensive and well-rounded view of an individual's strengths and weaknesses. It helps in identifying areas for improvement and personal development. This type of assessment is commonly used in performance appraisals, leadership development programs, and in organizations that value a 360-degree perspective on clinical student performance.</p>	<p>Rubric for Clinical Performance (Attitude & Discipline)</p>
